

SHOSHANA PARRY CERAMICS

**Wholesale Catalog
Summer 2026**

About the Products

All products are handmade in my studio in Fairfax, California. They are inspired by my love for natural materials and place, and are crafted with a sense of connection to the customer. Every piece is high fired and therefor dishwasher and microwave safe. Being handmade, there will of course be slight variations in the finished product. Please enjoy these unique items!

Ordering

The range of items listed below are my 'Coastal' ware. Three different sands are featured but I have many more. If you're interested in seeing examples with the other sands, please contact me. Wholesale prices are shown with each item. To place an order, please email me at shoshanaparry@yahoo.com or call (415) 302-2559.

‘COASTAL’ WARE

This line of ware incorporates beach sand from various locations in Marin County, creating a unique connection to this region. All items are available in both Coleman Porcelain and Charcoal clay

POLICIES

Pricing

The above catalog lists the wholesale price.

Payment

Payment is due within 30 days of receipt of items and invoice

Returns

If anything arrives broken, I will remove it from the invoice. Otherwise, no returns.

If asked, I will trade out pieces for local shops.

Orders

I need a minimum of four weeks lead time for orders and will give an estimated completion time when an order is confirmed.

I will continue to update the catalog throughout the seasons.

Keep a look out for new catalogs and contact me if you have any special requests.

I'm happy to work with you!

Thanks,
Shoshana
